

**Add Ons:** Feel free to add on even at the door! We will have plenty of space for everyone. Last year we added 2,000 people on site! Just make sure that you have all the necessary paperwork when you arrive. I encourage you to pray and see how many students you could invite who **don't know Christ**. Pray about it...**invite** them...**pay** their way... and see what God will do! Each year, hundreds of students that come as guests accept Christ at Youth Convention!

**Payment at the Door:** All church checks must be made payable to **SCDC**. No personal checks will be accepted. We will not have the ability to process credit cards. There is an ATM in the Convention Center lobby.

**Hotel Rooms:** If you need additional hotel rooms, please call us and we will make sure that you are taken care of.

**Curriculum:** Is up on the web site for you to use. This is all one line at [www.socalyc.com](http://www.socalyc.com).

**Outreach:** A **Speed-the-Light** special **offering** that will be taken. If everyone would bring \$5.00 we will be able to purchase a vehicle for Bill Smith in Haiti. Both his home and his STL car were damaged in the horrible earthquake there. For more information on Speed-the-Light go to [speedthelight.ag.org](http://speedthelight.ag.org)

Every year I talk with youth pastors or leaders who tell me that they want to teach their students about deadlines so they refuse to take anyone who has missed their church's cut-off date. I would **strongly** encourage you to find a different way to teach disciplines. Please don't restrict them from being at a place where God would minister to them. Turn them away activities that are centered on fun and **not** from one that is Christ centered.

**Leader Info. Sheet:** It would be very helpful if you would distribute this in advance to each leader. We need to be able to work together without confusion, so hopefully this will help give them direction for our time in San Diego.

**PRAYER:** Please...please...please enlist the help of your **women's and men's ministries** at church and ask that they would **hold this event up in prayer...hardcore...intense...mean business with God prayer!** Please also take time in your youth services to pray for a mighty move of God! Maybe you would feel prompted to fast for Youth Convention... We are asking that God would show up in a big way. We are asking that student's lives will be **radically changed forever!**

Thank you for all your work in getting students to this event! If you have any questions at all please don't hesitate to give me a call at **(949) 252-8696**. Get ready for a super weekend! I look forward to seeing you there!
